- 1** Turn sock inside-out with heel side down. Place on table.

- 2** Peel backing off of 2 foam mouth plates and stick them to the sock as shown.

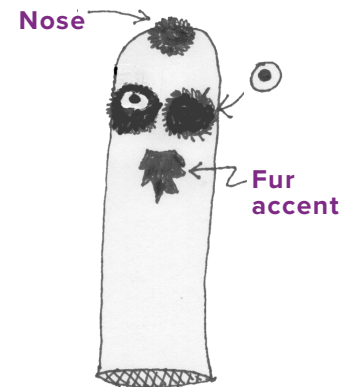

- 3** Turn sock right side out so that foam pieces are on the inside of sock.

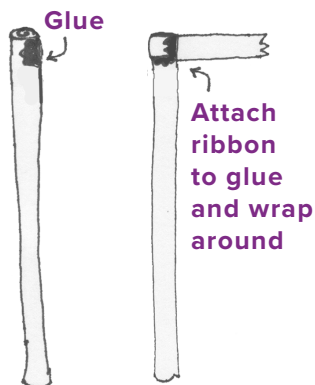

- 4** Rotate the sock so that the heel side is up.

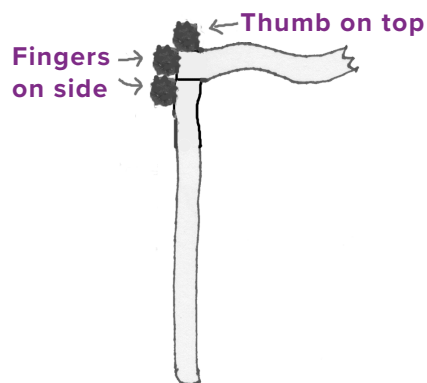

- 5** Use fabric or hot glue to attach 2 large PomPoms and place on sock as eyes.

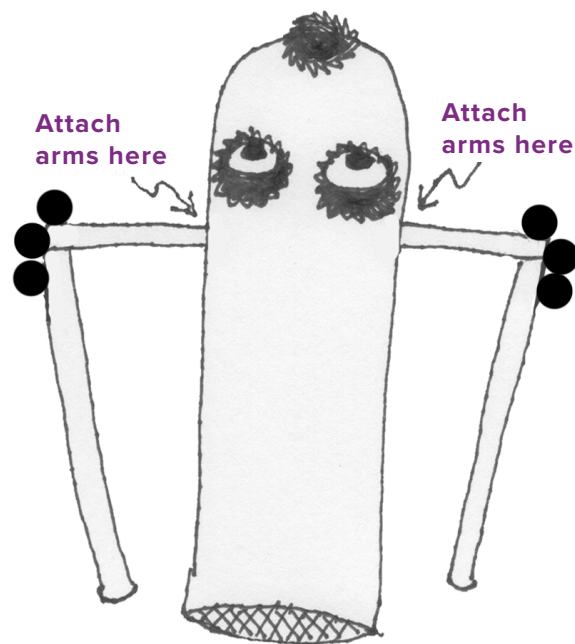

- 6** Peel and stick eyes to PomPoms. Glue on nose as shown. Glue on fur accent piece.

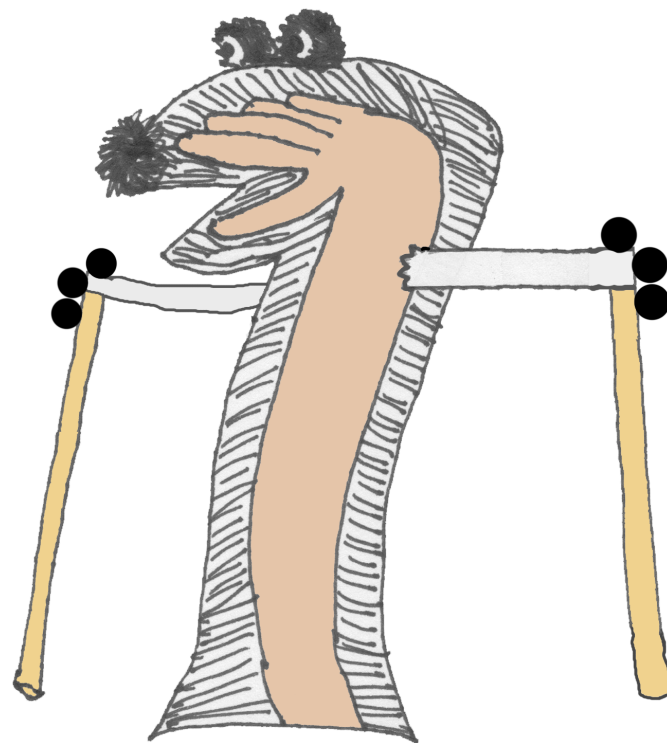

7 Place dot of glue on edge of each wooden dowel. Then wrap arm ribbons around dowel as shown.

8 Glue 3 small PomPoms as fingers to each dowel as shown.

9 Glue other end of ribbon to puppet as shown.

10 Place hand inside puppet with fingers on top of large mouth plate and thumb under small mouth plate. Manipulate the arms by holding the dowel rods with your other hand.
